

Journal of the Southern Orthopaedic Association

The *Journal of the Southern Orthopaedic Association*, a quarterly medical Journal, is now published by Data Trace Publishing Company. The journal serves as the premier forum for exchange of information and the presentation of new techniques and procedures, as well as updates about the ongoing educational activities of interest to all practicing orthopaedists. The original manuscripts, editorials, feature reports, and book reviews are easy to read and provide Orthopaedic specialists with insight on the innovations, trends, and issues effecting the Orthopaedic field. Illustrations and expert photography combined with original manuscripts, case studies, and special emphasis papers result in 60+ pages of pertinent Orthopaedic information.
